A searing four-part docuseries that dismantles the public image of Yehuda Meshi-Zahav, the celebrated founder of the ZAKA rescue organization, exposing the profound betrayals hidden beneath his carefully crafted hero persona. Driven by relentless investigative journalism, the series uncovers a disturbing pattern of systematic abuse and decades of silence within the religious community.

Featuring never-before-seen testimonies and compelling archival footage, Meshi Zahav is a powerful exploration of the fragility of truth, the consequences of unchecked power, and the formidable influence of media narratives.
