

REMAKE OPPORTUNITY

EXCEPTIONAL

THE SERIES THAT CHANGES PERSPECTIVES

A Story of Acceptance, Love, and Courage

PROVEN GLOBAL FORMAT AVAILABLE FOR REMAKE ADAPTATION

Exceptional has proven to be a global success. With audiences that connect, critics that applaud, and authentic DNA, this is your opportunity to bring a transformative story to your network and market.

THE STORY

A 17-year-old vlogger obsessed with her perfect image faces an unexpected turn when she must accompany her autistic sister to a specialized sailing camp. What begins as an obligation becomes a journey of self-discovery, revealing secrets that will shake her social circle and redefine what it means to be a sister, friend, and authentic person.

THE DRAMATIC CONFLICT

Entangled in an unfamiliar world, Maya faces complex moral dilemmas: friendship versus secrets, authenticity versus appearance, personal identity versus family responsibility. A high-stakes teen drama that examines inclusion, acceptance, and the courage it takes to be genuine in a world demanding perfection.

★ MIPCOM Cannes Winner

Award-winning at **MIPCOM Cannes 2022** for the Diversify TV Award.

◆ High-demand IP in active development

With options already secured for **US Hispanic, Latin America, United States, India, and MENA** regions, this format demonstrates clear commercial momentum.

● Proven Global Track Record

Already a success on **Kan 11** and **Netflix Israel, Kanal D Turkey** (top-rated adaptation), and broadcast in **Estonia**.

▲ Massive Prime-Time Ratings

The major Turkish prime-time adaptation (*Dönence / Daylight*) on **Kanal D** captivated audiences, consistently ranking in the **Top 3 series** across key demographics.
